## DEATHS AND MARRIAGES

### DEATH OF GOOD WOMAN

Fell on Peaceful Sleep After Several Months Illness

Tuesday morning at 5:30 o'clock Mrs. A. B. Horney died at her home on Steele street, from tuberculosis, aged 52 years. Deceased was a daughter of the late H. C. Lamb, of Guilford county. She was a good woman, a devoted wife and her death brings sorrow to all her friends and acquaintances. The funeral services were conducted from the house Wednesday afternoon by Rev. J. H. Barnhardt of Washington Street M. E. church. The following were the pall bearers: Messrs. W. H. Ragan, Fred N. Tate, W. A. Ring, W. H. Townsend, R. L. Pickett and A. E. Tate. The floral offerings were very beautiful indeed and attested the love and esteem in which she was held by all. The sympathy of The Review goes out to Mr. Horney in his irreparable loss.

### MRS. CURLEE DIES

Tuesday morning at three o'clock Mrs. Ken W. Curlee died at her home on North Main street after many months illness, due to tuberculosis. Deceased was a daughter of Rev. C. A. Cecil, president of the M. P. Conference of N. C., a consistent member of the church and well and favorably known. The funeral services were held from the house Tuesday afternoon, conducted by Rev. A. S. Caldwell and A. G. Dixon, of the First Presbyterian and M. P. church respectively.

### DEATH OF WELL KNOWN CITIZEN

C. W. Rochelle, 58 years of age, one of the most prominent photographers in town, and for the nine years since his coming here a most industrious citizen, died suddenly of heart disease Thursday night at 8 o'clock near the well just outside his studio, whither he had gone for water. Drs. Stanton, McCain and McAnally were immediately summoned, but nothing could be done. He leaves a wife and daughter, Miss Lizzie, and two sons, E. F. and T. V. Rochelle. A sad feature of the death was that it occurred the night on which his daughter had made preparations to give a party to her many friends. The funeral services were conducted from the residence Saturday afternoon at 2 o'clock.

The Review sympathizes deeply with the bereaved. We found in Mr. Rochelle a good friend.

### DEATH OF MRS. AUSTIN

## OFFICERS BEATEN BY MOONSHINERS

Tuesday U.S. Marshal Harkrader and Sheriff Davis of Surry county were attacked by friends of one of the notorious Todd family and badly beaten up in the mountain fastness near Dobson. Harkrader's face was badly bruised and torn and Davis' teeth were knocked out. They had come upon a still, arrested one man and were on their way back when they were pounced upon by seven men with the above result.

## ROBBERY SUNDAY NIGHT

The home of Mr. Will Allen, on Rankin street, was entered Sunday night, between the hours of seven and nine o'clock, and \$251 in money, and gold watch and three pair of trousers were taken. Blood hounds were put on the trail and they went to the home of a certain young man, who was able to prove that he was not the guilty party. So far no arrest has been made.

## MOTOR CAR COMPANY'S OFFICE ROBBED

Whether the same robbers who tried to effect an entrance into houses on Willowbrook and West Green streets some time ago or not, it is difficult just now to say, but whoever it was, they effected an entrance into the High Point Motor Car company's office Friday night and from the safe took \$25 which George Wilson, the manager, left for over night. Saturday morning the front door, by which they entered, was found open, the safe door and a private inside drawer from which they had shown wise discrimination in leaving several checks and taking the cash, was unlocked, and the back door of the office through which they had taken their departure, was open.

## THE EMPTY STOCKING FUND

The Empty Stocking Fund of The Review was turned over to Miss Helen McCarthy Tuesday, Dec. 24th, and she provided presents for a number of the poor children of High Point, making their little hearts glad for remembering them. Those needing them most received them as the contributors desired, all of whom should feel glad to have thus made the little ones happy.

High Point should annex Mechanicsville by all means, and we trust that there will be a movement in this general assembly to do so. It will help Mechanicsville far more than it will help High Point, but it will help both. Mechanicsville should be willing to come in and enjoy our many advantages. Let the matter be pushed.

Two very large plate glass windows were blown out of the front of the Peoples House Furnishing Company's store, and five large plate glass windows, the entire front, at London's Reliable store. Two of these windows had just been put back a few days before having been blown out, making seven altogether within one week. It was partly due to weak framing. Several trees and fences were also blown down over the town and other small damage done.

An earthquake shock was distinctly felt in High Point, at 1:28 o'clock Wednesday afternoon, Jan. 1st. It consisted of one big shock, lasting about twenty seconds. ## IMPORTANT MEETING TUESDAY

The North Carolina Municipal Association held its annual meeting here Tuesday at the Manufacturer's Club Rooms. Mayor Tate is president and Thos. D. Meares, of Wilmington is treasurer. Most of the important cities and towns in the state were represented. An interesting meeting was held.

Dr. Dred Peacock welcomed the visitors. He hoped the municipal association would be instrumental in bringing about the proper division of revenue between the cities and counties. "It was a fallacy" said Mr. Peacock that the country fed the city—that it was the city that helped the country through higher prices for their products—that the city people actually pay 75 to 80 per cent of the county taxes and there should be a better system of assessment.

Mayor Tate spoke on the advantages of the municipal association both to the city and state. He adjourned the meeting to January 16th at Raleigh at the city hall when Gov. Craig will address the body, also Prof. Chas. L. Raper of the U. N. C. Ex-mayor McNeil of Fayetteville also made a timely talk.

## AN APPRECIATED PRESENT

Mrs. Flora Payne of Route 2, Kenersville, received a fine Xmas present from her youngest son Elmer Payne, of Maricopa, California—a silver set of tableware and 10 yards of fine black silk and other things. It made the heart of this dear old mother glad indeed. Mr. Payne has been very successful in the west and in a little over two years has saved nearly \$1800, due to the fine training he received at home. It shows that the young man is all to the good and will make his mark in the world. A boy that sticks to his mother and remembers her thus is bound to win out.
